The U.S. Scouting Service Project, Inc. (USSSP) is a not for profit corporation organized in the State of Missouri for the purpose of supporting youth organizations through online information resources. USSSP is not affiliated with the World Organization of the Scout Movement (WOSM) or the Boy Scouts of America (BSA). Volunteer Scouters staff the USSSP.

We encourage Scouts and Scouters to visit the official sites of WOSM at <http://www.scout.org/> and BSA at <http://www.scouting.org>.
